

WALL SCREEN ACCESSORIES

Laser Pointers

The ultimate in presentation convenience. Select from three models.

- Laser Pointer
- Blinking Mode Laser Pointer
- Jumbo Laser Pointer

Pull Rod

Reach pull bail on screens mounted out of reach with this handy accessory. 38" long.

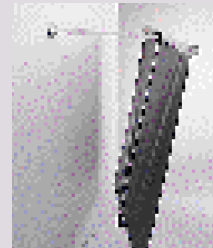

Tilt Lock

Eliminates keystone when screen is tied back to removable hook which is magnetically attached to metal mounting plate with adhesive back.

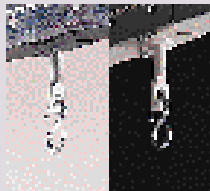

Articulating Keystone Eliminator Arm

Eliminates keystone and allows Model B screen to be moved from side to side and angled to provide entire audience a view of the presentation. Use with sizes up to and including 70" x 70".

T-Bar Scissor Clips

Use for attaching screens easily and without tools to dropped ceiling type "T" rails. Available in black or white.

Mounting Brackets

Use for convenient mounting to extend screen from wall to avoid obstacles such as chalkboards.

- Model No. 6 extends screen from wall 6". Non-adjustable.
- Model No.11 extends screen from wall 10" or 14". Non-adjustable.
- Model No.23 adjusts for 14-1/2"-24".
