**Concealed-In-The-Ceiling
Tensioned Electric Screen with
Closure Doors Designed with the
Installer In Mind**

- Same great design as our Advantage Deluxe Electrol except screen is tensioned for an extra flat surface for optimum image quality when using video or data projection.
- Tab guide cable system maintains even lateral tension to hold surface flat while custom slat bar with added weight maintains vertical tension.

All fabrics will be seamless.

Install the fabric and roller assembly after the case to ensure that the fabric is not damaged during case installation.
